"THE INVASION OF TIEL"

EPISODE ONE

/STAND BY + RUN/ TK1

TELECLINE 1.

MODEL SHOT.

Backdrop. Deep Space. PAN across slowly to find the nose of a spacecraft. KEEP PANNING. Use a smaller craft to pass through SHOT until we realise that the craft we first saw is truly vast - a Leviathan. This is the Varden Flagship and everything about it suggests a monumental capacity to destroy - sleek, predatory killer shark of space.
